Questions:

- Where does it state that Mattithyahu or Matthew to Revelations are scriptures or “New Testament”? Note according to Revelation it is a book. The reason that we know that it is a book is because of two things, The Creator showed Yahuchanan or John the prophecy, and told him to write it down. Just like they did in the TANAK. Secondly Revelations 22:19 said this very thing?
- Where does it say Genesis –Malachi or Chronicles is called “Old Testament”?
